

ARE TERMITES MAKING YOUR HOME AN
EXTRA-VALUE MEAL?

WE'LL STOP THEM FROM GETTING ANY MORE DINNERS ON-THE-HOUSE.

Call and ask for the complete protection discount!

As your pest control service provider, we are always looking for the best technology available. Termites are a destructive insect that could be in your home. However, many homes are not protected against termites. Call us today for an inspection and learn more about the **Advance® Termite Bait System**, which features:

- Effective elimination of entire termite colonies in and around your home.
- A less invasive approach that does not require drilling of your house's foundation.
- Long-term, continuous protection through monitoring of bait stations.
